Sixty up

It gives my wife Margaret a huge boost to think of all those people looking at her naked bits.

Although she is in her sixties she just can't get enough cock.

We got a cheap Sun caravan holiday and the four of us crammed in the car and went off.

In the middle of the week the two girls came down to the pub wearing short skirts, see-through blouses and no knick-

our drinks and went home. As soon as we got in all four of us got naked and started fucking. We were so turned-on by the lads ogling our wives that we gave them a real good seeing-to.

I flung open Margaret's legs and piled in. Meantime my best friend was doing his missus doggy-style. When you're in a caravan you're on top of each other – literally – so I was soon screwing my friend's wife as well.

We are still at it – it's not just the young ones you know!

A bare cop

I recently went to a fancy dress party dressed as a sexy policewoman with my husband Jim. After a few glasses of wine, I was really in the mood for a good fuck and I wanted to feel Jim's cock inside me.

It was then that a friend called David whispered in my ear that he would love to lick my juices off the truncheon after it had been deep inside my pussy.

It was an offer I couldn't resist and Jim was right behind me as I headed up the stairs. I ordered both fellas to sit down and promptly slapped the handcuffs on David telling him that he could watch but he mustn't touch unless I said so.

With both men staring at me I undid my skirt and let it fall to the floor, exposing my stockings, suspenders and my hairy pussy. I slipped two fingers into my wet slit then offered my soaking fingers

lick it clean. Although he was cuffed he didn't seem to be having any problems wanking or sucking my juices off the truncheon.

I wiped the pre-cum off his dick with my truncheon

I wiped a dribble of pre-cum off his dick with the truncheon before slipping it back up my wet hole.

I ordered David to lie on the floor. He did as he was told, and with his hands cuffed and his trousers round his ankles his hard cock was right there for me to enjoy.

I stood over his body and lowered my wet pussy on to his face. I ordered him to make sure my cunt was nice and clean by the time he frigged me off with his tongue.

I had to hold on to the side of the bed as I felt my first orgasm wash over me.

He had done such a great job on my pussy and arse it seemed only fair to return the favour and it felt good taking his cock into my mouth and tasting the juice oozing from his prick, as I slid the truncheon between my legs and guided it deep inside my cunt.

I pushed my bottom out as Jim in turn guided his rock hard cock into my tight arsehole.

It felt fucking gorgeous to have his cock right up my arse as I fucked myself while deep throating David. I came very quickly as Jim started to push harder and harder into my arse.

When Jim came he grabbed my arse cheeks tight and

slammed his cock as far up inside me as he could.

I felt his cock throb against my tender arse ring and his balls pushed against my pussy which was still full of truncheon.

A few moments later David lifted his hips and jetted his cream over my tongue. I caught every drop of his juice.

I pulled the truncheon from my cunt and offered it to David to lick which he did, as I slowly sucked the rest of his juices from his cock.

Jim let his cock slip out of my arse and rubbed it against my tender arsehole as a final orgasm shuddered through my body.

Dear Julia, Who's the lucky cunt in the Lungs Out On The Lash feature (vol 29 no 11) just about to get a face full of tit? C'mon Julia – how about giving the public some free tickets to the next one! Oh, Mark from Shrops (vol 29 no 12), as you're interested, I like a nice big puffy twat!

REAL WIFE SEX

Selina, 26,

After the time of her life in the sack, slapper Selina just can't stop wanking over her memories

were standing either side of me scrambling to get my clothes off. Everything came off in a flurry and their hands ran all over my body, rubbing across my nipples and slipping inside my moist pussy. Then they both stripped to their boxer shorts and sat side by side on the sofa, hard-ons poking through their boxers.

I got on my knees and started sucking on Billy's cock, which was enormous - a little bit longer than

Neil's and a bit fatter too. I wrapped my fingers round the base of his cock and wanked him off while I sucked the top half of his shaft and his helmet noisily and enthusiastically. After I'd sucked Billy off for a little while, I moved across and started giving Neil a blowjob.

I alternated between their two hot cocks, sucking one at a time while wank-

I looked up at Billy and told him to stop talking and start porking. He smiled, and I continued to blow Neil's dick while Billy got up, removed his boxers and got

I've never been one to turn down the chance of going head to head with a couple of cocks.

I work part-time in a nightclub. It gets really busy, so it's quite hard work and dead knacker. We get a couple of breaks a night, during which most people have a drink and a fag and whatever. I, on the other hand, need a very special kind of pick-me-up.

Last month I ended up going home with two blokes for a night of steamy sex. They fucked me bandy and I loved every spunk-soaked minute of it. Their names were Billy and Neil. They were both a couple of years older than me and, I was later to find out (to my delight!), were pretty well endowed - better than I'm used to anyway!

I got chatting to them in the club and they bought me a load of drinks. I couldn't decide which one I fancied most, so I snogged them both. Then Billy asked if I wanted to come back to his place for a threesome with the pair of them. I had the horn big style and jumped at the offer.

As soon as we got in the door, they

I felt him begin to explore my pussy with his mouth. He ran his tongue up and down my

up the arse before (I love it!) but I'd never had DP, only dreamed of it. And here I was about to get it, hard!

I leaned forward against Neil so Billy had access to my arse. He nudged his cock against my arsehole and with a bit of pushing he was inside me. He eased himself fully in and then started to pump. I bounced up and down on Neil as Billy pulled his big cock out of my arse and pushed it back in hard and fast.

I had never felt so utterly full, filthy

and fulfilled in my life. I was having orgasm after orgasm, both my holes clamping around the boys' cocks. I was also screaming my head off, shouting and screaming. Neil and Billy were telling me what a dirty bitch I was and how they were going to fuck me all night.

Billy was the first to cum, shooting his load deep in my arse. Then I climbed off Neil and wanked him off into my mouth and over my face.

They were true to their word - they did fuck me all night and I had cum leaking out of my cunt and arse all down my legs

slit, pushing it inside my creamy hole and nibbling my puffy cunt lips. He reached round with his hand and started to rub my clit, which was hard and sensitive. This felt great, and in between mouthfuls of Neil's cock I groaned and sighed appreciatively.

As I was licking and nibbling Neil's balls, Billy switched his attention to my tight arsehole. He slid a couple of fingers inside my cunt while he licked my ringpiece. He pushed his tongue right up against my puckered arse, making me squirm with pleasure. Before too long Billy made me cum, my juices covering his fingers and running down his wrist.

Then Billy told me to fuck Neil. I got on top of him as he sat on the sofa and he eased his cock into my slippery pussy. I started riding him, shoving my big tits in

finger in my pussy alongside Neil's cock. Then he lubed up my hole with my own juices and started fingering my arse.

He told me I was going to get double fucked. I could hardly stop myself crying out with pleasure, horny with anticipation and mad with lust. I'd been fucked

by the end of it.

Since then I've been dildoeing myself bandy thinking about it, hoping they'll come back.

I go into the staff ladies' toilet and take my bag with me. Locking myself in a cubicle, I get my small battery powered

Chloe couldn't stop going on about the size they said their dicks were – seven and a half inches, with huge diameters as well.

This made my cock seem totally inferior and Chloe wouldn't stop teasing me about it, asking how was a wee prick like mine going to

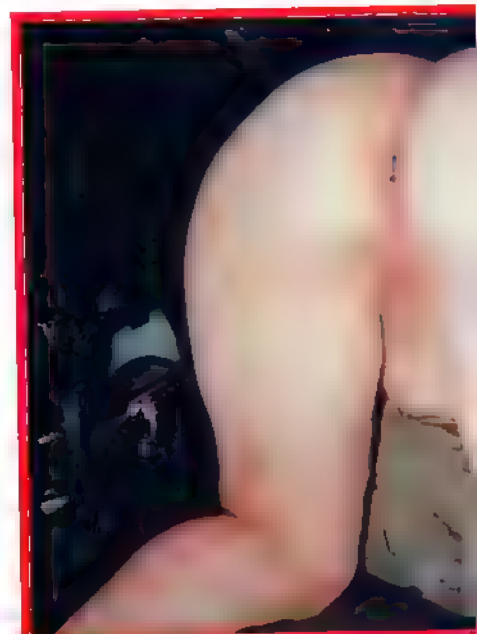

Chloe was so excited she was frigging her clitty, her hips twitching as little orgasms went through her.

We clocked Scott and Tony standing at the bar. Chloe told me a little prick like mine would get lost up her cunt once these two had had a go on her.

I got the drinks in and went to the bar. When I got back Scott had his hand up my wife's skirt and Tony his tongue down her throat.

In view of the whole pub she started bucking on Scott's fingers. I could see she was on the verge of an orgasm. When she cums she pisses herself with cunt juice. I suggested

we leave for home as we were attracting a bit of attention.

In the car Chloe sat between the two brothers on the back seat and once again she spread her meat curtains for them. She was saying she was going to have a real man's cock for a change.

We got in the house and went straight up to the bedroom. I was told to sit in the corner. Scott and Tony just threw Chloe on the bed, ripped her clothes off and stepped out of their pants.

They were huge. Even Chloe looked a bit shocked. Scott forced his man meat in to her split peach, forcing a cry out of her.

Tony took this as his cue and got behind Chloe to force his cock into the same wet fuck hole. Scott was pounding her but Tony managed to

squeeze his prick in alongside, stretching my wife's cunt wide.

I was about to stop them but Chloe told me to get my prick in my hand and let the real men do what they came to do.

I sat pulling myself off as Scott and Tony fucked her hard. Chloe was twitching and shaking as she had multiple orgasms, flooding the bed with her peach juice.

Tony shouted he was cumming, followed by Scott, and they both pumped their man fat up my wife.

I remembered she wasn't on the Pill so when they pulled out I ran over and stuck my cock in her sopping slit and emptied my load on top of the brothers'.

My first DP

Lots of couples want to join in with our outdoor sexual exploits.

This was after I appeared in *Escort* vol 29 no 7. We met up with Rob and Jo who seemed to think what we did looked like a lot of fun.

I dressed up in the Britney gear you see here.

Jo was an attractive girl with amazing big 38DD knockers. Rob had a great big

cunt or whose tongue was up my arsehole. We played, teased and fucked for what seemed like hours.

I'd not been with another girl before but I found it amazing. I had several orgasms which ensured the lads' balls and cocks always had a glorious sheen of cum all over them.

My pussy was soon filled with loads of spunk and hubby took photos to wank off over later.

After that good long wet session, we went to a local wood and fucked each other several times more. We didn't care at all about anyone watching us.

I also experienced my first double penetration.

over his cock. Then I lowered myself down on to it while he groped my tits. I hammered up and down on that for a

SARRAH, HULL.
41 years old. My Favourite Dildo, p. 12 and Letters, p. 40. "I love sucking cock and swallowing spunk. Want to join in?"

Tit fan Steve got his hands on gigantic juggled Sarrah after she got them out in vol 28 no 11

Dear Escort,

Big fan (in all senses of the word) Steve recently sent me a wonderful letter saying he could remember my pictures from years ago. He thought I had aged beautifully and looked even more fuckable now!

He said he would love the opportunity to feel my huge bangers. What a charmer!

After a few flirty and filthy message exchanges I arranged for Steve to meet up with me and my husband.

I was dressed for the occasion – short skirt, low top with my cleavage on full display, a tiny G string and high heels.

Steve couldn't take his eyes off my tits. I got them out and let him have a good feel and a suck on my nipples.

I could feel my pussy juice up so I grabbed Steve's hand and put it up my skirt. He started finger-fucking me so I sighed, put my head back and glanced at my husband.

The dirty bugger had got his cock out and was wanking while he watched his wife get a good fanny-

fingering off a complete stranger.

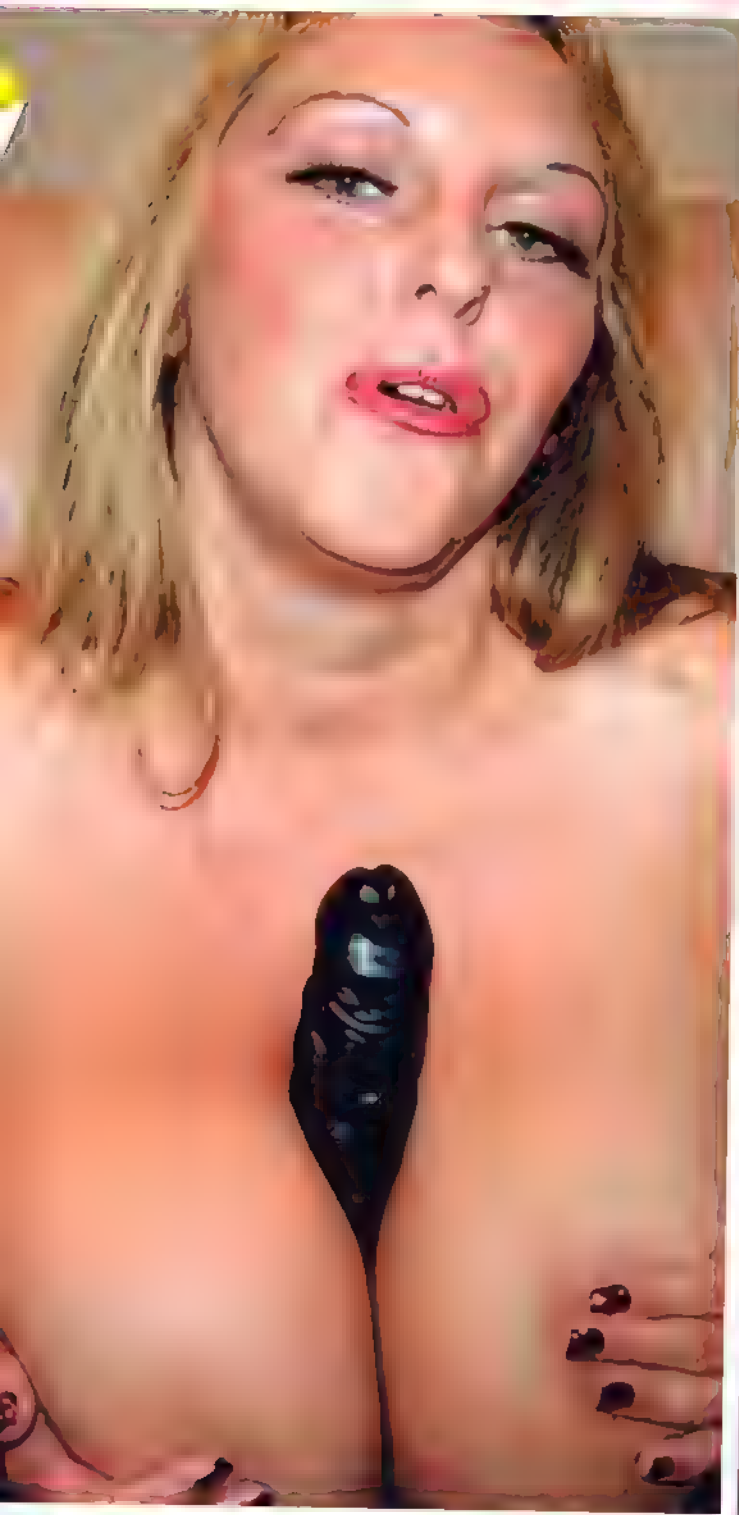

I undid Steve's flies and got his big thick cock out. I weighed it lovingly in my hand.

I could not wait to get it in my mouth. I got on all fours and started sucking him off, rocking my jaws

me and got straight on with the job of fucking me hard and fast.

The feeling of having my husband's cock in my pussy and Steve's cock in my mouth was fantastic.

With a final sweaty thrust I felt Steve's cock pulsing in my mouth, and heard my

back and forth on to his long thick shaft. Slowly at first but building up to a fast rhythm.

My husband got behind me and started licking and fingering my cunt till my hole was stretched wide open and I was desperate to feel him inside me.

He slipped his cock up

husband groan, both ready to spunk. My husband spurted his big load of creamy spunk all over my bum just as Steve shot his load down my throat.

We have met up a few times and each time I've got filled up with spunk!

REAL WIFE SEX

Selina's story continued from page 19

vibrator out of my bag. I'm usually quite excited by now, so I pull my tight black leggings down around my ankles quickly. I yank my G-string down as well and perch myself on the toilet seat.

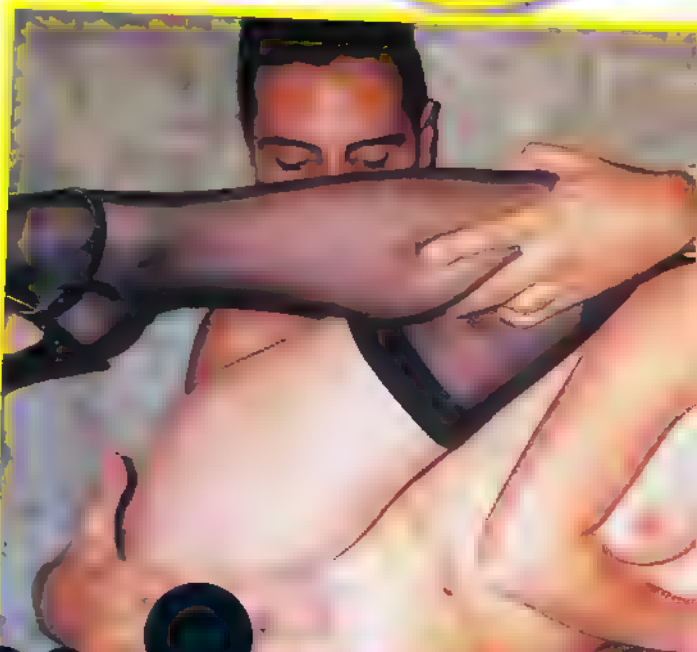

I have usually been thinking about doing this for most of the evening, so I

I constantly wank over the affair

am already excited and wet. The thrill of doing something illicit and the possibility of being caught also turn me on, so my cunt is really juicy and I don't need warming up. One hand goes straight to my clit and starts rubbing it fast and hard, while with the other hand I guide the vibro to my sticky entrance and slide

small dildo, but it vibrates quite powerfully, sending beautiful sensations through my pussy. As my orgasm approaches I keep the pace up, my body quivering and my cunt spasming wildly.

Sometimes someone will come in and use the toilet while I'm in there. This gives me a big thrill and I have to bite my tongue to stop myself from crying out, especially if I actually cum while there is someone else in the room. Usually, though, I am free to moan and groan as loud as I like. It's a

...NOW I WANT TO FUCK 5 MO

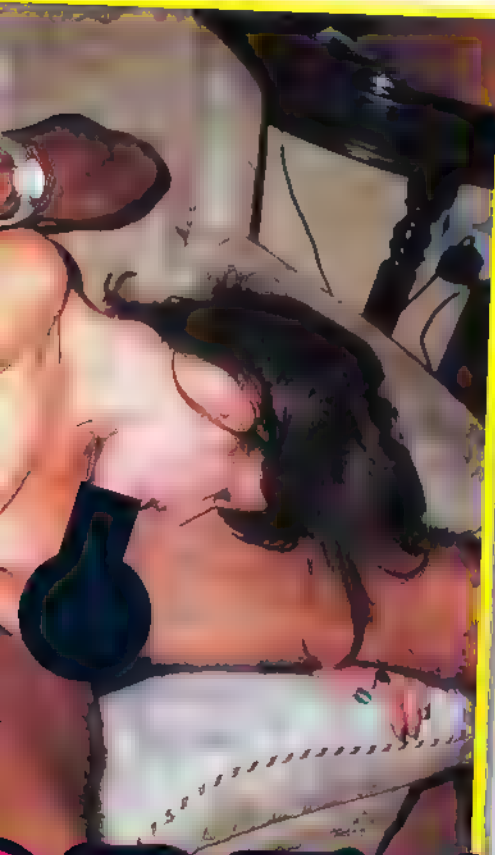

it inside.

I grip the base of the dildo between finger and thumb so I can move it in and out of my pussy really quickly while I frig my clit. It is only a

quickie wank.

Other times, if I am feeling really daring, I keep my vibro in the waist pouch I wear as part of my uniform. If I'm on my own behind one of the bars I can turn on the vibrations so it is buzzing in my pouch, which hangs down below

DRE!"

my waist. Then, when I press myself against anything solid while I'm serving, the vibrator buzzes against my clit.

When I'm collecting glasses I often do this, pressing myself against the corners of tables while I pick up the empties. It is a small discreet vibro, and inaudible against the music, so nobody can tell what I'm doing. But it is still very naughty and very nice!

Now guess what just happened this evening. Those lads Billy and Neil came back in. They couldn't stop but they'll be in tomorrow – looks like my wanking's over for a night at least!

Aunty sex

A month ago, I was stuck in the house with my uncle John's new girlfriend Letitia (she's about 20). He was at work and I had come round to fix the taps for her.

We got the Bacardi out and were having a good laugh, talking about everything under the sun until we managed to get on to sex, as you do.

She asked me if I'd managed to have sex with two women at the same time. Of course, I said and I retorted by asking if she'd ever done it with two men.

She looked me right in the eyes and asked me if I would ever tell John. I told her it would be our little secret. She said that yes

she had.

I moved over to kiss her and she didn't resist.

I told her to give me her hand and then put it right on my hard-on. She couldn't stop herself starting to rub me up.

She asked me to pull off her boots so I did. Then I began rubbing my hands up and

down her legs till I reached her pussy.

I stroked my fingers gently across her clit and she started to moan. She pulled out my solid cock and I

couldn't believe it when she lowered her head on to the tip of my cock.

She stuck out her pink tongue and ran it all over my bell-end. Then she took my entire prick inside her hot mouth.

Swing ding

Last weekend my husband Allie and I were invited to a swingers party.

We knew it would be wild, and when we arrived

there was already a couple fucking on a sofa with a crowd of people watching them. I knew then we would really enjoy ourselves!

We wandered into another room and could hardly believe our eyes. There was a black girl in the middle of the room with a blonde girl between her legs.

The blonde was noisily slurping at her pussy. The rest of the room was filled with couples, all urging the girls on.

I pushed my way to the middle and knelt behind the blonde, pushing her skirt up to reveal her soaking knickers. I yanked them aside and started rubbing her off.

I ran my

My hot spasming cunt was too much for him to handle

fingertip over her slippery clit, and began to eat her out.

Someone then parted my legs to allow him or her to do whatever they wanted to me.

I felt two fingers sliding inside me as I ate the blonde. Meanwhile the busty black girl

was cumming. She was playing with her tits and going at it like a porn star.

Then Allie went up to her and shoved his hard cock into her mouth. She started to gobble him fast as he put his hand on her head and thrust

I was about to explode and she kept sucking till I pumped my load into her mouth.

She swallowed every last drop. Now it was my turn. I

got in between her legs and pushed every inch of my prick up her shaven pussy.

I fucked her hard. She was screaming hard. Next I had her on top of me. She was moving back and forth and I had her firm tits in my hands.

She put her feet up on my chest and crammed one of them into my mouth. I managed to get all five toes in.

I couldn't believe I was fucking my uncle's girlfriend and she was loving it.

The next morning I came round and got another blow job off her while my uncle was having a shower getting ready for work. What a result!

inside her mouth.

The fingers in my cunt were then replaced with a stranger's cock. I gasped when I felt how deep he pushed his cock inside me.

Someone in the crowd then told Allie to cum in the black girl's face.

He let out a shudder and then huge jets of spunk splashed all over her face and neck. I've never seen anything so horny in my life.

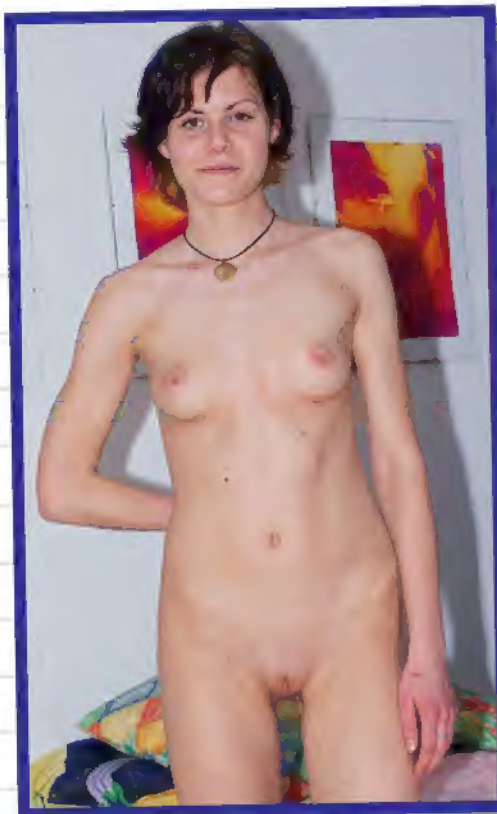

I began to frig myself with one hand while the stranger sped up his rhythm. When I felt myself cumming I groaned loudly for the crowd.

My spasming pussy was

too much for the stranger to handle. He pulled his cock out and I felt his hot spunk rolling over my arse cheeks.

I don't know how many people I fucked that night!

Violet, Lancs.

Try bi

I am a bisexual voyeur and frequent a club where my every fantasy can be taken care of!

I went last week and every time I do two regular girls start licking me all over – what a greeting!

There were about twenty people there including two new couples. Me and my boyfriend went into the play room straight away.

One of the girls said, "This is going to be a bi-sex night and the men can't wait to watch!"

I was stripped there and then, with women licking my tits, my wet pussy and one working her tongue around my arsehole.

I had a massive orgasm on the spot. I can shoot my cum three or four feet in the air just like a man.

I was then led to the pool table. I noticed other couples having sex and steamy four-somes. I was put on the pool table and absolutely devoured – licked, sucked and fucked.

**Barbara,
Welwyn**

were at it, and they were supposedly only bi-curious.

Then a big double dildo was produced and at least four of the women put it inside me and then got on the table and put it up themselves one by one.

I can shoot my cum three feet in the air, like a man

I'm one of those women who can cum thirty times a session, often squirting. When I opened my eyes and regained some composure all the swingers were standing around the table.

The women were taking it in turns to fuck me with dildos, licking my clit and sucking on my tits. Even the new girls

The noise of people having sex is a great turn on. In the end we paired with one of the new couples. We love teaching new swingers the ropes.

In the end I got what I wanted – a cock up my pussy, my boyfriend's big knob right up my arse and a new girl sitting on my face.
